

The Hopi People Say:
That Our Earth is like a Spotted Fawn
Each Spot, the home of a People,
their Culture and Traditions,
Functioning in that Special Region of the World.
Maintaining the "Spots of the Fawn"
with Acknowledgement and Respect,
Keep our World in Balance.

Its time to be a part of shaping the future
an opportunity to heal and to move forward
in more balance and understanding than before.
We are all relatives.
People, Plants, Animals, the Water, the Earth.
We can move to Ignore, Abuse or Cherish
its our choice.
